

Storage Rental FAQ's

How much does portable storage cost?

Our pricing is straightforward and clear. Cost is dependent on how long you keep the unit and your choice in where to storage it. Please visit our Free Quote form to request a customized quote in your hometown.

How long can I use your service? What if I only need it for a few weeks?

The beauty of our portable storage options is the flexibility you have for your storage needs. Whether it's a short term weekly rental or a longer term monthly storage need, we can service your request today.

How do I access my stuff?

If you choose to store on site, your unit is available to you 24 hours a day, 7 days a week. If you choose to use our Storage Center, simply give us 24 hrs notice for an appointment to access your unit – as often as you need. Remember, we can also deliver your unit to you whenever you need it on site.

I don't want my things to be damaged. Where will my unit will be stored?

Our Storage Facilities are secure and climate controlled for both temperature and humidity. Coupled with our 24 hour surveillance, your items will be both safe and protected from damage and loss.

When should I place my order?
